

Friday 26th January 2024

Dear Families,

Throughout the school year we take part in a range of National days/ Weeks. All our schools will be participating in Children's Mental Health Week (from 5th February) and Internet Safety Day (6th February). We will share more information about this with you in the coming weeks. The House Teams are also gathering suggestions from the children of things they would like to focus on.

Next Friday is NSPCC Number Day. Parents can really help to promote the importance of Maths at home.

How parents can help with maths at home

1

Be positive about maths. Try not to say things like "I can't do maths" or "I hated maths at school" – your child may start to think like that themselves.

2

Point out the maths in everyday life. Include your child in activities involving numbers and measuring, such as shopping, cooking and travelling.

3

Praise your child for effort rather than for being "clever". This shows them that by working hard, they can always improve.

Please do let us know if you would like further ideas to support your child with Maths at home.

Mrs Arrowsmith

Next few Weeks Reminders

Tuesdays – Swans Swimming

Thursday 1st February – Young Voices Concert – letter went out earlier.

W/C 5th February – Childrens Mental Health Week

Thursday 8th February – Chinese New Year Change of menu (See below)

Friday 9th February – House teams chill out afternoon.
